About SPCA Florida

Founded in 1979, SPCA Florida is a 501(c)3 non-profit, no-kill organization headquartered in Lakeland, serving all of Polk County and the surrounding communities. Dedicated to improving the lives of pets and people, SPCA Florida provides caring, compassion and hope to more than 4,300 homeless animals entering our doors each year.

Open to the public, our SPCA Florida Animal Medical Center is a state-of-the-art veterinary facility that heals and helps 50,000 patients annually. Thousands more pets and people are served through our community outreach and education programs.

Simplistically, every \$100 donated to SPCA Florida, or essentially the cost of an average adoption, equates to \$3,000 worth of positive economic impact throughout Polk County, Central Florida, and the state. Additionally, we are proud of the fact that 92% of every dollar goes to program resources and helping homeless animals.
