SPCA Florida Receives \$4,200 Empower Polk Grant from the GiveWell Community Foundation

Lakeland FL - SPCA Florida has been awarded an Empower Polk grant of \$4,200 from the GiveWell Community Foundation for its "Printer/Scanner for SPCA Florida's Medical Center" needs.

GiveWell Community Foundation's Empower Polk grant cycle aims to help local nonprofits invest in their organization's efficiency and sustainability. Funding from the Empower Polk grant will allow SPCA Florida to strengthen its efficiency in the Medical Center.

With the purchase of Canon DX C357iF Copier, SPCA Florida will be able to reach a new level of operating effectiveness. This improvement to SPCA Florida's Medical Center will enhance time management for the staff, reduce client wait times, strengthen internal capacity, and better serve the community.

The Medical Center is open six days a week, and we need to be efficient to maintain low-cost high-quality care.

SPCA Florida is grateful for the opportunity to give our communities animals a long life of unconditional love to the families who care for them.
