SPCA Florida Receives Ogena Solutions Donation

Lakeland FL - SPCA Florida has received complimentary disinfectant product from Ogena Solutions to promote and protect the health and safety of animals and staff.

Ogena Solutions is dedicated to providing complete effective, environmentally friendly bio-security solutions, equipment, and protocols.

SPCA Florida always strives for the safest, but yet, most effective disinfectant cleaner used in the hospital and adoption center. With powerful surfactants (detergents) and superior speed of disinfection, the concentrate product delivers superior performance with contact times that are 50% faster against a broad-spectrum of organisms.

With this donation of product, SPCA Florida will be able to reduce unwanted pathogenic microorganisms, including bacteria's, viruses, fungi, mold, and mildew. SPCA Florida's disinfecting protocols will help safe guard the lives of both homeless and adopted animals.

SPCA Florida is asking for financial, foster, and adoption support. To help, go online at www.spcaflorida.org and donate, foster or check out our adoptable dogs and cats.

About SPCA Florida

Founded in 1979, SPCA Florida is a 501(c)3 non-profit organization headquartered in Lakeland, serving all of Polk County and the surrounding communities. Dedicated to improving the lives of pets and people, SPCA Florida provides caring, compassion and hope to more than 4,300 homeless animals entering our doors each year.

Open to the public, our Reva McClurg Animal Medical Center is a state-of-the-art veterinary facility that heals and helps 50,000 patients annually. Thousands more pets and people are served through our community outreach and education programs.

Simplistically, every \$100 donated to SPCA Florida, or essentially the cost of an average adoption, equates to \$3,000 worth of positive economic impact throughout Polk County, Central Florida, and the state. Additionally, we are proud of the fact that 92% of every dollar goes to program resources and helping homeless animals.
