- Offers Lifetime Care for the security and well-being of personal cats, after you are gone
- Assists with socialization, behavior, medical problems, and lost and found pets
Appreciated Securities
The transfer of appreciated securities to SPCA Florida is tax efficient. You may be entitled to deduct the fair market value of the securities, without having to recognize any of the capital gain. SPCA Florida can then sell the securities without having to pay any income tax.

IRA Charitable Rollover
For those 70 1/2 or older, you can gift up to $100,000 directly from your IRA or 401(k) to SPCA Florida. Donated amounts are excluded from gross income and count toward your required minimum distribution. Simply instruct your IRA administrator to make a direct charitable distribution from your IRA to SPCA Florida. Our tax id# is 59-1939655.

Bequests
You can name SPCA Florida as the beneficiary of a specific amount, or a percentage of your residual estate, through your will or revocable living trust, while retaining control of all assets during your lifetime.

Retirement Benefits
Make a gift from your most highly taxed assets by naming SPCA Florida as the beneficiary of all or a portion of your retirement assets on the designation form provided by your plan administrator.

Life Insurance
A simple way to provide for SPCA Florida is to name us the beneficiary of a paid life insurance policy. The life insurance benefit is tax-exempt, and SPCA Florida will be able to use 100% of your donation to help homeless animals.

Real Estate
Consider donating real estate, a vacation home, or other property to SPCA Florida. It may also be possible to deed your home to SPCA Florida while continuing to live there and receive a reduction in, or elimination of, capital gains tax.

Charitable Remainder Trust
Establish a trust that will provide you or another family member with income for a stated number of years or for life, with the remainder interest paid to SPCA Florida. By doing so, you can obtain a charitable income tax deduction when you fund the trust. Talk with your attorney about whether a trust like this may be right for you.

Donor Advised Funds and Family Foundations
You can help SPCA Florida when you make distributions from donor advised funds and private family foundations. Private family foundations are required to make annual distributions to avoid tax penalties. Please remember homeless animals and the good work of SPCA Florida when selecting charitable recipients of distributions from your private family foundation or donor advised fund.
