SPCA Florida Rent A Dog Program Expanded Days

Interested in a doggie date? SPCA Florida has expanded the days for the Rent A Dog Program to seven days a week.

Dogs of all shapes, sizes, and ages will be “rented” (no charge) to those wanting to participate. This allows the dogs to interact with faces and spaces outside of the adoption center and give the dogs more exposure with potential adopters. Families and students who cannot foster or adopt an animal have an opportunity to interact with a dog and plan a fun, safe adventure for their “rented” friend.

These dogs are pre-selected by kennel staff and stated in the dog’s bio will confirm which canine is available for the Rent A Dog Program. Participants and doggie date will enjoy a 3-4-hour outing. Pick-up and drop-off times vary depending on the shift.
