SPCAFlorida.org
SPCA Florida is a 501(c)3 non-profit organization in Lakeland, Florida, founded in 1979. Dedicated to improving the lives of pets and people in the community, SPCA Florida provides care, compassion, and hope to several thousand homeless pets every year. In 2022, SPCA Florida saved 3,685 lives. SPCA Florida is a No-Kill organization.

Our goal is to lead Polk County to a no-kill status (90%+ live release rate) by 2025! Our three initiatives focus on animals most at risk in Polk County: Cats & Kittens, Bully Breeds, and Heartworm-Positive dogs.

Since we are a No-Kill managed in-take animal shelter, we only take in animals when we have the space. We have over 300 animals on the waiting list waiting to be rescued! To help increase adoptions and increase rescue in-takes, we have decided to do an adoption special from June 21, 2023, to July 31, 2023!

Please help us support this campaign by sponsoring the event with a donation. Even $5 or $20 helps tremendously!

Thank you so much for supporting our mission of saving lives.

INFO ON ADOPTING

SPCA Florida no longer requires appointments for adoptions! Walk-ins are welcome! Please know there may be a wait depending on the volume of clients and staff availability. We are on a first-come-first-serve basis and do not do any holds.

If you see a dog or cat you like, please come stop by to meet them!

Some dogs are picky about getting new canine friends. To ensure the dog you want to adopt is a good match for your family, we require dog-to-dog introductions in the following cases: You are wanting to adopt a large dog (over 30 lb) and have a dog, or you have a large dog (over 30 lb) and want to adopt a small dog. Please bring your dog and their current vaccination record to your appointment.

In honor of the first day of summer - we are having an adoption special to help these students graduate into a home! All kennel dogs over 30 lbs and adult cats over 2 years of age will only be $20.23 from June 21, 2023, to July 31, 2023!
