

DONATION DRIVE

A donation plan designed for those in **middle school and high school** to obtain hours for school programs

COMMUNITY SERVICE OPPORTUNITY FOR STUDENTS

Thank you for choosing SPCA Florida for your community service project. Using your community service hours to help our animals is greatly appreciated! Knowing each student/group has a specific number of community service hours to be completed in order to fulfill school requirements, we have created an outline to help you with your initiatives.

STEPS IN MEETING COMMUNITY SERVICE HOURS

1. Review the information below and plan for your drive.
2. Print and fill out the application. Please remember to have your parent sign the application! Hours are given for successfully following all guidelines and procedures appropriate to the specific project.

Please Note: Community Service Hours opportunities listed on these pages are NOT an option for court ordered community service hours. SPCA Florida does not accept court ordered community service hours through this program.

ORGANIZE A PET FOOD & SUPPLY DRIVE TO HELP SPCA FLORIDA ANIMALS

For students 13 - 18 years old

Students may collect as many pounds of food as they choose.

1. Create posters or flyers for your pet food drive. Please use our *Wish List* attached. **Do not ask for money.**
2. Contact friends, neighbors, relatives, your school and/or church, area businesses, etc. to solicit pet food donations. (SPCA Florida does not encourage students soliciting door to door without parental supervision).
3. Email SPCA Florida Volunteer Coordinator, one week prior to make an appointment to drop off the donations: volunteer@spcaflorida.org
4. Don't forget to thank those who donated and helped you with this project!
5. Once we have received the donation of supplies, the volunteer coordinator will sign any forms required by your school, verifying the project and hours completed. **It is your responsibility to present school forms to us with your completed project.**
